

THE FIGHT EQUIPMENT SPECIALISTS

BOXING | MARTIAL ARTS | SPORTS APPAREL

STORY

P A S T

Carbon Claw Boxing and Combat products have been designed and manufactured from many years of knowledge gained within the Sports and Sporting Goods Industry. This Prestigious Carbon Claw brand carries the Kudos of over 30 years of manufacturing traditions and with the ever evolving in-house design and technology to bring you a quality product that can perform to the growing pace and demands of today's consumer expectations. Sourcing our products from such a professional and reputable manufacturer is key to the continuity of the quality, as well as their understanding of our continued product development needs. Established in the 1970's as an Original Equipment Manufacturer (OEM) of Sporting Goods specialising in the manufacture of Boxing Equipment, Sparing Gloves, Punch Bags, Martial Arts Equipment, MMA and Combat Sports Accessories, they have gone from strength to strength to now boast two manufacturing facilities along with many hundreds of skilled workers within the many various departments. Having produced many thousands of items and selling worldwide, they have built a strong and trusted reputation for Product Performance, Durability and Comfort.

P R E S E N T

Carbon Claw continues to offer fresh and exciting designs to the Boxing and Martial Arts industry, and is currently working on some great projects to be launched imminently. As we continue to build upon our reputation our designed products ensure we suit all levels of boxing from novice to Professional training.

We continually assess and research current consumer trends allowing us to offer you the latest in design, technology and performance. Our current customer portfolio is comprehensive, selling to many clients and associates around the world, from Boxers and Fighters themselves to Personal Trainers, Gyms, Fitness Studio's, Schools Colleges, local Authorities through to retailers and wholesale distributors.

F U T U R E

Engaging with our customers on product feedback is a crucial and integral part of our future product development programme which allows us to create the synergy between ourselves and our continual loyal customer following. The full Carbon Claw Range will cater to all Sporting Enthusiasts from the beginner to the Professional Sports Person. As Fight Equipment Specialists our business strategy is to continue to offer exciting products to all our consumers ensuring Carbon Claw has a place and purpose within every household or training facility for years to come.

W A R R A N T Y

All our products have been designed and manufactured to meet a variety of uses within different environments in mind and expectations from our customers. To help you decide on the products or product ranges that suit your own specific needs we have a colour coded system that suggests the most appropriate product for the environment in which it is to be used. To ensure our customers enjoy many hours of training with their Carbon Claw products we would recommend that you look at the user guide reference table to the right to assist your choice of purchase. To further aid the longevity of your new purchase we recommend you read our product use and safety section below.

Product Use and Safety All Carbon Claw products are manufactured to ensure a safe level of use and to minimize risk and injury when purchased from new. Due to the nature of Combative Sports the performance of the products will diminish over a period of time and advise the user to regularly inspect their products for signs of wear and tear and replace when necessary. It is the individual's responsibility after a new purchase to ensure the products are used for the correct application as advertised and we cannot accept any liability for the misuse of product and injuries incurred. Please note: Punch bag weights may vary by approximately +/- 2kg
